- 3.2.4 Players will not be permitted to play if their individual player registration form (and any fees if required) has not been received by BA. Note that should a player play a WNWBL game without submitting their individual registration form (and any fees if required), the team shall be subject to a forfeit and the player will not be covered by insurance.
- 3.2.5 During the season, players may be added to the Team's Registration List by applying to the LE and paying a late registration fee of \$100.00 +GST per player.
- 3.2.6 All players must be a financial member of a BA affiliated State basketball organisation.
- 3.2.7 A team may only play one imported player per season. An imported player is any overseas player that is NOT an Australian citizen or resident even if they reside in the state for the period of the league season. A New Zealand player (who is a NZ citizen) is NOT considered to be an imported player. Any Australian player that plays for another state is NOT regarded as an import.
- 3.2.8 A team may apply to remove an imported player from their team list and replace that player with another eligible imported player. To be eligible for the final series the replacement imported player must comply with the rules regarding final eligibility.
- 3.2.9 Team numbers are limited to nine for rationalisation purposes. The list of players for each round of the competition and any other requested information must be provided BA no later than the Monday prior to each round. Teams will attract a \$100 +GST fine every week that requested information is late.

3.2.10 Costs for numbers above nine players (9) will be borne by the team.

3.3 Participation in Games

3.3.1 To participate in a game means to be legally on the score sheet and to play or be present at the players' bench in playing uniform during the game.

3.3.2 Any player that is marked on the score sheet pre-game and signed off by the coach may play. It is not the referees' concern to know if the player is eligible to play or not.

3.3.3 12 players can be listed per team per game.

3.3.4 Players whose names are on the score sheet but do not participate in a game must be crossed off and initialed by the Crew Chief Referee post game.

3.4 Eligibility for Finals

3.4.1 To be eligible in the final series a player must have participated in 40% (rounded up) of the minor round games.

3.4.2 A team may make application to the LE to have this set aside when a listed player could not play the required number of robin matches because of Australian representation (with a sanctioned Basketball Australia team), injury, illness or other special circumstances. During the period of injury, illness or other special circumstances the player must be resident in Australia. A medical certificate must include specific dates, injury or illness details, and specific details regarding exemption from WNWBL rounds. Appropriate documentation must be provided for other special circumstances and Australian representation (with a sanctioned Basketball Australia team).

3.5 Transfer of Players

3.5.1 Players may transfer teams between seasons provided any debts with the original team are paid and the player has a release form signed from their previous team. All International imports and Australian players returning from International clubs wishing to play in the WNWBL MUST provide a release form or letter from their home team/national basketball organisation. This form should be submitted with the team registration list.

3.5.2 All Australian players wishing to play in International club teams MUST obtain a release form or letter from their Australian club and Basketball Australia.

3.6 Team Uniforms

3.6.1 Each team must possess two complete sets of basketball singlets, which comply with IWBF uniform regulations. One must be predominantly light in colour and the other a predominantly dark colour.

3.6.2 T-shirts, of a solid colour, may be worn under a player's singlets matching the predominant colour of the singlets and be uniform throughout the team. Text or graphics on the T-shirt must not be visible. Players wearing odd or inconsistent coloured T-shirts will not be permitted to compete in WNWBL matches.

- 3.6.3 All players of the same team shall wear shorts and/or track pants of the same, single, solid colour. If the shorts or track pants include trim it shall be of the same colour and design for all players of the same team.
- 3.6.4 The home team wears the light colour uniform. However, where opposing teams have uniforms that are similar in colour, the home team is required to change to the alternate set.
- 3.6.5 Teams may have decided together and in advance as to who wears the light and dark uniform. If there is a dispute, the rule will apply.
- 3.6.6 Teams are required to wear the WNWBL logo on the right breast of the playing singlets. If players are not wearing the logo the referees should report this to the game commissioner who will inform the LE
- 3.6.7 The players must have their playing numbers clearly visible on their back or hanging from the back of their wheelchairs.

4 Classification

4.1 General

- 4.1.1 The WNWBL is conducted under the IWBF Functional Classification System for Wheelchair Basketball.
- 4.1.2 All players competing in the WNWBL must have a Wheelchair Basketball Australia Classification Card.
- 4.1.3 WBA Classification cards will automatically be issued to all players holding an IWBF international or zonal card. These players do not require further evaluation by Australian classifiers.
- 4.1.4 For players not holding an IWBF card, teams must propose the classification of the player to the League. Based on this proposal, a provisional classification will be issued to the player to commence the season. At the first opportunity the player will be evaluated by a WBA classifier to confirm their classification. Once confirmed the player shall receive a WBA classification card.
- 4.1.5 Any disputes with provisional classifications will be referred to the Classification Coordinator of the WBA Technical Committee. Teams who abuse or exploit the provisional classification system may have competition points deducted by the LE.
- 4.1.6 Able-bodied players will be supplied with a WBA classification card for use in League games. These cards will indicate an able-bodied player.
- 4.1.7 Players eligible for point reductions (see next section) shall have classification cards displaying their true classification, but of a distinctly different colour to indicate they are eligible for reduction in League games.
- 4.1.8 When a team fails to provide a full set of player classification cards pre game they will be subject to a \$100 +GST fine. For the game in question the team must then provide a list of all their players and their classifications for the score table. This list is to be signed by the team coach or manager and the Crew Chief Referee. After the game this list must be submitted to BA. If the list is found to be in error then the team may have competition points deducted.

4.2 Maximum Points

- 4.2.1 The sum total of the classification points of the five players on court at any one time cannot exceed 15.0. The only exception to this rule is if a team is playing at least one player on court who is eligible for a point reduction, in which case, they cannot exceed 16.0 points.
Only one eligible deduction can be claimed in adding up the total of classification points on court at any one time.

4.3 Point Reductions

- 4.3.1 Some players are eligible for a classification point reduction. The players entitled to 1.0 point reduction are:
- 4.3.1.1 First year National League players. A first year player is defined as an Australian or New Zealand player (who is a NZ citizen) in their first year of the National League. A player would lose this eligibility immediately after they have represented the Senior Australian or the New Zealand National Wheelchair Basketball Team at a World Championship (Gold Cup or Paralympic Games).
 - 4.3.1.2 Junior players under the age of twenty years as at 1 April of the current season with the exception of able-bodied players. A player would lose this eligibility immediately after they have represented the Senior Australian or the New Zealand National Wheelchair Basketball Team at a World Championship (Gold Cup or Paralympic Games).
 - 4.3.1.3 Team lists must display the player's correct points in brackets after the reduced points, e.g. Mary Smith is a junior - 3.0 (4.0).
 - 4.3.1.4 Note that players are eligible for awards under their true classification points, e.g. In the above example Mary Smith is eligible for the 4.0 pointer MVP award and NOT the 3.0 pointer MVP award (see Most Valuable Player page 25).
 - 4.3.1.5 Teams are only allowed to use one (1) deduction towards their total classification points on court at any one time. Other eligible juniors and rookies can take the court, but their true classification will count towards the total classification points on court. That is, if there is more than one eligible player on court at any one time, only one classification point reduction can be used towards the sum of the total points on court at any one time.
 - 4.3.1.6 First year players whose name does not appear (or remain) on the score sheet for that team's first round games may make application to the LAC to remove their name from the Team's Registration List. Players having had their name removed from the Team's Registration List and not playing in the current year gives the player the opportunity to utilise the one point reduction for the first season in which the player plays.

4.4 Pre-game Chair and Equipment Check

- 6.6.2 The statistics game fee is a total maximum of \$75.00 and is shared between the three officials (\$25 for each official).
- 6.6.3 The Competition Manager will distribute statistics of all games on a regular basis.

6.7 Court Announcers

- 6.7.1 Announcers should provide information and create or encourage an atmosphere of enthusiasm and enjoyment for the game at hand. There should be no criticism emanating from the microphone. Further all commentary should be made from an unbiased view. The announcer should be courtside commentating and most definitely not participating in any way in the outcome of the game.
- 6.7.2 Objectives:
- a) To introduce teams and players to the spectators.
 - b) To provide information relative to the state of the game that may not be readily available to spectators.
 - c) To promote sponsors at appropriate times.
 - d) To recognise official guests to the audience.
 - e) To provide a limited commentary on the game (as detailed below).
- 6.7.3 There should be no commentary while a team (either team) has possession of the ball in play in their offensive half (front court), nor after a player has had the ball placed at their disposal to shoot free throws. Comments that take longer to make, during the course of play, than the time it takes a team to progress to the halfway point of the court is too long.
- 6.7.4 The game commentary should be limited to providing the following information at appropriate times:
- a) Scoring - who scored. Three pointer, accumulative individual total. An occasional mention of assists may be appropriate.
 - b) Foul - who fouled. Number of fouls - individual and team. Who is shooting free throws and how many (if required). NOTE: The referees call should not be pre-empted in anyway. The announcer must wait for the referees decision and signal - don't guess. Incorrect information can create confusion and embarrassment to all.
 - c) Violation - Name the violation not the player violating.
 - d) Time Out - which team called it and how many they have had or have left.
 - e) Rebounds, Blocks and Steals can be mentioned if required and appropriate but who made turnovers is generally not appropriate for comment.
 - f) Time Remaining - At no time should there be any comment from the court announcer relative to the amount of time remaining on the game clock or the shot clock.
- 6.7.5 Music and/or sound effects may be played while the ball is in play provided they are not distracting to the teams or referees. Music and/or sound effects may not be made while any player is attempting a free throw.
- 6.7.6 The Court Announcer is not a cheerleader, barracker, noise generator or game critique. The principle duties are to pass information to the crowd not incite it. Any comment reflecting on the performance of the referees, either positive or negative, is not allowed. Critical remarks of any type towards players or coaches are not acceptable (including pre-taped comments played on the PA system).
- 6.7.7 An appeal to the crowd for the noise/support at inappropriate times is not allowed. Home teams must generate their crowd support and noise through methods other than the court announcer (e.g. team mascots etc.).
- 6.7.8 The Court Announcer should be an official conduit between the game referees and the audience in conveying information relative to rule decisions that may not be apparent to the public. There are often timing and rule confusions that occur between referees and the score table, or between the referees themselves resulting in game stoppage and

consultation. The court announcer should be able to clarify the circumstance with the public after it is resolved. This is an important function.

- 6.7.9 Recognition of Club and League sponsors and guests are a part of the court announcer's duties. These announcements should be limited to pre-game, time out and quarter/half time breaks. The court announcer will be obligated to acknowledge the WNWBL Naming Rights Sponsor (if any) a minimum of three times per game.

7 *Protests*

- 7.1 Protests cannot be lodged prior to the commencement of a game. Protests can only be made as a consequence of a specific incident in a game, which is considered to have fundamentally affected the outcome of the game.
- 7.2 A fee of \$100.00 must accompany all protests on the prescribed form (**page 29**). This fee is refunded only if the protest is upheld.
- 7.3 Protests must be made to the Games Commissioner within 60 minutes of the game completion. Such protests will be dealt with prior to that team playing its next game
